

BAYANIHAN TO FIGHT PANDEMIC (COVID 19)

In continuous support to Bayanihan in winning the battle against the pandemic COVID-19, SSVTC family work harder for the frontliners in recognizing their efforts to keep the community safe. On April 13 and 14, freshly-baked cakes and cold bottles of mineral water are personally delivered by VSA Israfel L. Mangui and acting VIS Reynaldo M. Hernandez to the frontliners stationed at the Bansud Municipal Health Center, skeletal workforce of the Local Government Unit, and Philippine National Police of Bansud, Gloria and Bongabong. There are 35 pieces of cakes and other pastry products produced and distributed.

Meanwhile, in the afternoon of April 14 another batch of raw materials for the production of PPE is delivered to SSVTC by the requesting party of a non-government organization in Bongabong represented by Mr. Mike Malaluan, son of the Municipal Mayor. With the available resources provided by the NGO, SSVTC is able to produce 125 complete set of PPE that are hand over to Malaluan on April 24, 2020. Malaluan said that the target beneficiaries of the PPE's are the health workers in public and private hospital of the province.

On the other hand, Sariling Sikap Program/SSP of the institution is utilized to provide funds for foods of the SSVTC personnel who collaboratively worked during the production. Below are the pictures taken during the activities for two weeks.
